- Homeschooled

Morning Farm Report

- Big data technology applied to your fields.
- Personalized daily reports to help you plan your day.
- Accurate rainfall, soil compaction data, and yield estimates that boost productivity and harvests.

Pocket Rain Gauge

- 24-hour rainfall data for your location, powered by Morning Farm Report.
- A universal rain gauge that's with you wherever and whenever you need it.
- For farmers, gardeners, event planners, and plain-ole weather enthusiasts.
